

VIÑEDOS DE PÁGANOS

Red wine

100% Tempranillo

16 months

“

The palate is smooth, with very attractive flow and build.

”

James Suckling

D.O. Ca. RIOJA

CALADOS DEL PUNTI DO

VARIETY

100% Tempranillo.

VINEYARDS

Grapes from the 45 hectares of Viñedos de Páganos, located in Páganos-Laguardia. Clayey loam soil in texture and clayey-limestone in calcareous-clay in composition with sandstone subsoil. Altitude: 600 m. High planting density and low production per hectare. Year of planting: 1975 - 1973. Integrated viticulture, respectful of the environment, minimal intervention, perfect adaptation to the terroir and without the use of herbicides or systemic products, in harmony with the biorhythms of nature. Organic fertilization.

ELABORATION

Traditional elaboration, 100% destemmed.

Pre-fermentative maceration during 4 days with indigenous yeast selected from our own vineyards, with very light pump-overs and a light aeration. Directly barreled into 30% new French oak Bordelaise barrels, 30% second wine barrel and 40% two-wine barrel where the malolactic fermentation will take place. Aged for 16 months in French oak barrels.

TASTING NOTES

Bright cherry red colour. Complexity, well-defined character in an ensemble rich in nuances. Fruit on the nose with spicy and balsamic notes. Fresh and fleshy on the palate, with body. Tasty, balanced and lively.

DRINKING TEMPERATURES: 16-17 °C
